RACIAL MATTERS - NRP

On 3/12/70, a demonstration in the form of a picket line was held by the NRP in front of the Main Post Office, 8th Ave., and 33rd Street, NYC, from 6:45 to 7:45 p.m. It was raining during the entire time of the demonstration and began to rain so hard by 7:45 that the picket line was discontinued. Those participating walked to the corner of 8th Ave and 33rd Street and went into the subway.

Approximately 12 persons participated in the picket line. They carried the American flag, two thunderbolt flags, and the following signs:

> "America For Whites" " Racial Purity Is American Security" "Join NRP" \*America First\* \*American Power, Not Jew Power "Keep G.I.'s Out of the Middle East" "White Power"

In addition to the above, they also carried a large placard with a picture of Adolph Hitler.

#### Gentlemen:

As per my conversation with your Nassau County office, I am attaching a "Hate Letter" that was put under my windshield wiper. This occurred during the evening of February 26th in Plainview, L.I. I parked my car outside of the Plainview Jewish Center and the street I parked in was Floral Park Road at 9:00 P.M. When I came out of the Jewish Center at about 11:15 P.M., I found the attached on my car. I am sending you this for whatever value this may be to you in tracking this down.

I would like to hear from you with regard to any progress or action you may take. My name and address is as follows:

### DID YOU KNOW ?

- \* That Jews butchered 35 million Christians during the 1917 Russian-Bolshevik Revolution?
- \* That Anarchy, Nihilism and Bolshevism are Jewish weapons to sabotage and destroy everything that is not Jewish?
- That Jewish success is based on a vile system of 6,000 years of robbery, bribery, piracy, conspiracy, depradation, spoilation, distortion of all truth, plunder, fraud, blackmail and the breaking of all laws, the smearing of others with the blood of their own crimes?
- That Jewish control of newspapers is total... they pull the strings through their heavy advertising Jew department stores, supermarkets, furniture stores, etc. ?
- That Jews are aware of their own vile, dirty, base and filthy low nature and that they suffer from that complex they bring everyone else down to their sick level hippies, yippies, creeps... encouriging others to dress like slobs and be dirty and revolting?
- \* Jews are moving towards a world government ("One-world") through the U.N., with the capital to be in Israel?
- That Jews are promoting use of drugs among Gentile youth so as to destroy all resistance. LSD was first manufactured at the Weizman Institute in Israel and Jews promote its use by their control of the "hippie" movement... All Jewish-leftist propaganda glorifies use of "pot", "hash", "acid" and all forms of dope!
- \* Jews promote "generation gap" amongst Gentiles... the Jew family sticks very close together, but Jew teachers and professors always encourage non-Jewish children to hate their own parents!! ... another way of Jewish sabotage!
- That Jews have their own "secret police" and terror squad called "A.D.L." who are paid to harass non-Jews, and the "J.D.L." goon squad that physically attacks all those citizens who refuse to like Jews or "appreciate" Jew control of society.
- \* That Jews have a strict censorship over radio and TV? Everything done on TV must be approved by the Jew "committee"... Jokes can be done on everybody Poles, Italians, Hungarians, Germans, Irishmen, American Indians, even colored people but NEVER about the Jews. They bring ridicule to all non-Jews but never to Jews!
- That Jews promote every type of pornography and filth in books and movies to sabotage normal instincts and feelings of non-Jews to create a lack of self-respect among non-Jews, to bring all of society to the level of animals... that is what the Jew wants: a world state of animalistic, stupid, drugged, dirty, obedient slaves!!!

The Jews are the greatest threat to the world !

Every Jew should be investigated and then eliminated from society as soon as possible!

Dear Sirs:

My students, 85% of whom are members of the Jewish faith, have been very upset of late. During the past week citizens in the Jericho-Hicksville-Westbury area have found anti-Semitic hate literature attached to their cars. (I am enclosing a copy of one of the broadsides) The students are naturally upset and want to take action against this group. I want to make sure it is the right type of action that they take. I informed the students that I would write to your agency and the Anti-defamation League to see whether or not I could find out the name of the group that is printing this garbage. The broadsides are not signed but a Post Office Box is listed. This may be the work of only a few sick people and might be best handled by signoring the matter. I would therefore, appreciate any help you can give me in this matter.

Yours truly,

Gl'adys Cl'emmensen

THE NATIONAL RENAISSANCE PARTY NEEDS YOUR HELP IN DEFENDING WHITE NEIGHBORHOODS AND SCHOOLS FROM MILITANT BLACK TERRORISTS AND JEWISH SUBVERSIVES 1

11

Come on WHITE AMERICANS!
Remember your proud racial heritage and join with the NRP in clearing our public streets and educational facilities of Black savages and pot-smoking Jew ''HIPPIES''

The once-proud American eagle lies prostrate The American flag is desecrated. Our cities are burned. Crime is rampant. Dope addiction sweeps the nation's schools like a prairie fire. And what does the Establishment promise More of the same! "Uncle Dick" Nixon points his finger at the white children of Mississippi and in no uncertain terms states, "I want YOU to integrate!" James Graham, a Negro professor at Duke University, addresses a Black Power movement and concludes by telling his audience, "There will be no progress in America until we realize that White people will have to be killed." And his alter ego, the Jew Leonard J. Fein, an instructor at the Massachussetts Institute of Technology, avers, "We Jews are going to teach America what pluralism is all about." We suggest Professor Fein teach Israel what pluralism is all about. We suggest Professor Graham realize that terror will be met by terror. An eye for an eye. A tooth for a tooth. And we suggest that President Nixon stop listening to this Frankenstein's monster; this monster with the head of a Jew and the body of a Black; this unholy coalition of Jew and Black which seeks to destroy America.

Tonight when you sit in front of the electric Jew (sometimes referred to as a TV set) think about what this country once was and what

this country is now. When you take a walk tonight think about the criminals who infest our streets. When you watch your daughter leave for school in the morning think about the gang rape by more than 30 Black teenagers of a 17-year-old White homecoming Beauty Queen in the furnace room of a Philadelphia high school. And if you think the time has come for a militant White organization to combat the decadence which permeates America, then think about us: THE NATIONAL RENAISSANCE PARTY.

We urge you to JOIN US AND FIGHT FOR WHITE SURVIVAL!

RABBI'S STUDY

March 30, 1970

Dear Mr. Hoeq:

A member of my congregation informs me that you are investigating the National Renaissance Party. Recently they have been distributing scurrilous anti-semitic flyers in the community by attaching them to the windshield wipers of cars on our parking lot, the parking lots of the shopping centers in our area and also in the industrial parks.

I sent the first flyer to the Anti-Defamation League of B'nai B'rith, 250 Mineola Boulevard, Mineola, New York, whose Director, Mr. I. Joel Komarow, is also looking in this matter.

I also sent a copy of the first filyer to the Office of the Inspector in Charge, Post Office Department. I have enclosed their reply.

Needless to say, we are quite concerned over this kind of inflamatory literature which is being distributed throughout our community. I do hope that you will continue your investigation and pursue it vigorously.

Sincerely yours,

Rabbi Julius Goldberg

NATIONAL RENAISSANCE PARTY (NRP) RM - ORGANIZATION

On March 16, 1970 furnished a leaflet advertising an anti-Communist program to be held on 4/12/70 at Hunter College, Main Auditorium, Park Ave. at 68th St., New York City. This program is being sponsored by an organization named "The Saint George Association For Relief to Former Victims of Communist Terror, Inc.", and will commence at 2:30 pm. The program will include speeches. prayers, and music.

The leaflet also sets forth that after the above program a protest demonstration against the "humanity" of LENIN will take place. The majority of those attending . will march, in an orderly fashion and bearing signs, to the headquarters of the Soviet Delegation to the United Nations. along 67th St. to Third Avenue.

Source obtained this leaflet at an NRP meeting in NYC on 3/15/70. At this meeting an elderly female, calling herself Mrs. LERMOLO, appeared and invited the NRP to participate im the 4/12/70 protest demonstration. NRP reaction was favorable towards participation.

On 3/30/70 source advised the writer that the NRP will definitely participate in above demonstration. They will not wear their uniforms, however, and will appear in white shirts, black ties, and armbands. They will carry their usual flags and posters.

The writer has notified Special Services, NYPD, today through

On March 15, 1970, the National Renaissance Party (NRP) held a meeting at the residence of JAMES MADOLE, 10 West 90th St., N,Y. City, N.Y. This meeting began at 4:30 pm and ended at approximately 9:45 pm. A total of 15 people were present. JAMES MADOLE led the group discussions which were, as usual, anti-Semitic and anti-communistic in nature.

LOUIS MOSTACCIO gave a speech on integrity directed at the SE men to be sworn in on March 22, 1970.

The meeting was marked by an appearance of a white female, 60 years of age, 5 feet 4 inches, of Russian ancestry. She identified herself as a Mrs. LERMOLO and said she was with a group known as the "Saint George Association for Relief of the Former Victims of Communist Terror, Inc.," 315 W. 102nd St., NY City, telephone number 866-4237. She requested NRP participation in an anti-communist program to be sponsored by her organization on April 12, 1970 at the Main Auditorium of Hunter College, 68th and Lexington, NY City, beginning at 2:30 pm. This program will end with a march by all present from Hunter College to the Soviet Union's location on 67th St. between Lexington and Third Avenues. She also requested that the NRP bring the anti-communist Cuban individuals along with the NRP.

It was generally agreed that the NRP would participate in this program, wearing their uniforms and carrying NRP flags and posters.

On April 12, 1970 SAS and conducted a surveillance of a picket line by the NRP at the southwest corner of the intersection of Lexington Avenue and 67th Street. This picket line was in support of a demonstration then being conducted by an organization known as the Saint George Association against "communist terrorism". It is noted that the Soviet Mission to the United Nations is located at 67th Street between 3rd and Lexington Avenues, and this demonstration was located one-half block away.

The NRP members participating in the picket line convened at approximately 5:00 pm at the above intersection following an anti-communist program at Hunter College auditorium, 68th Street and Lexington Aye. They marched in an orderly fashion carrying signs which read: "Smash Communism", "Join the NRP to Fight Soviet-Israeli Aggression", "NRP, P.O. Box 10, NY, NY," "Communism is Jewish".

### MADOLE'S CURRENT ACTIVITIES

| Madole talks about setting up branches of NRP in several cities, notably in   |
|-------------------------------------------------------------------------------|
| Chicago. Here he looks to to set it up. In Baltimore he claims                |
| that is already functioning as there.                                         |
| instead of joining him, has gone back to Field and become                     |
| in Baltimore. On the Coast, functions as suits his con-                       |
| venience, either as the representative of NRP or as Sons of                   |
| Liberty. This he ordinarily uses for his literature sales. Setting up a       |
| branch of NRP really does not mean very much, because all that it does is     |
| give a little more status to the local leader. The outfit is only as active   |
| as he chooses to make it. Also, he follows Madole's directives only as much   |
| as he chooses. If, for example, he dislikes the satanic mumbo-jumbo, he       |
| doesn't use it. If he thinks the stormtroop insignia nonsense, he ignores it. |
| He must, however, push Madole's literature. But then he could do this anyway. |
| Madole sees the importance of giving his boys something to do. But this is    |
| something he cannot well do at a distance. Incidentally, this is the ingre-   |
| dient lacking in most neo-fascist outfits: the leaders have not enough ex-    |
| citing things to do to keep the boys dedicated and busy. For example,         |
| is running into difficulties in his efforts to expand his Rockwell group.     |
| He is following advice, and has told the boys to drop their                   |
| uniforms. This has already cost him members. Madole understands this, and     |
| lets the boys wear all the trappings they choose provided they not break      |
| the state law against appearing on the street in uniforms.                    |
|                                                                               |
| late March meeting in Arlington was a fiasco, partly because the              |
| school board withdrew the hall when proposed to exclude Jews and Negroes.     |
| But failed to inform of the cancellation. Several of the hundred out-of-      |
| towners he invited turned up in Arlington, and now are resentful of           |

Madole, in contrast, is punctilious about his dates. He makes it a point to keep in touch with his members and to get them in for meetings at his place at least every two weeks. Also, he always has some chore, such as distributing pamphlets or picketing, that is open for them to do. For example, currently he plans to picket the anti-Smith Rhodesia demonstration at the UN. Also, he plans to distribute literature at the auto show, and -- if he can find some outfit to put up the money -- to picket the anti-pollution groups who are planning to appear there. Madole admits that his boys -- but, he claims, not at his instigation -- smashed windows in the Patriot's office. This is probably true, because Madole tries to stop short of actual physical violence and inciting the police. He advises his boys to stay clear of the Panthers for the same reasons.

| Madole has no plans for campus activities. He notes that the YAF office on       |
|----------------------------------------------------------------------------------|
| 12nd Street shows some activity, but keeps out of the way of those college boys. |
| He sees no signs of NYA is beginning to revive the Long Island Youth             |
| for Wallace groups. b6                                                           |
| Madole shows firmness in dealing with individual member problems. He kicks       |
| out pot users the moment he spots them. was the last to go. He is                |
| hore tolerant of psychos. For example, he lets Mustaccio stay on although he     |
| has outbursts of rage against nothing in particular every two or three weeks.    |
| finor police offenses of members do not worry him. For example, he had planned   |

to induct five new members last night at the big Sunday night meetings he holds

at his place. But only three of the applicants turned up. The fourth had just

A characterization of the NRP appears in the Appendix attached hereto.

The literature passed out by members of NRP in the New York City area during the months of March and April, 1970, contained a statement on the bottom indicating additional information may be obtained regarding the NRP by writing to "NRP, Post Office Box 10, New York, New York, 10024".

Literature previously distributed by the NRP in New York City described the SE as the militant fighting arm of the NRP.

#### C. Objectives

Source advised that, in part, the January, 1968 edition of "National Renaissance Bulletin" reflects the objectives of the NRP. This bulletin, as applicable to NRP objectives, contains a statement by JAMES H. MADOLE which reads as follows:

"It is my interior to organize the American public into a potent force representing the interests of the white race in the United States... Now that our right to be able to assemble has been enforced by the courts, I intend to hold at least one mass rally each month. I further intend to distribute both through the mail and on the public streets at least 5,000 announcements to each rally. These fliers will also be recruiting leaflets so that recipients may fill out coupons to either join the party or its militant figting arm, the Security Echelon."

NY T-1 . April 16, 1970

#### D. Membership

No application form need be filled out for membership in the NRP. However, a new member will undergo a three-month probationary period following his initial entrance into the NRP. During this probationary period it is expected that the new member attend all demonstrations, pickets, literature distributions and other activities of the NRP. If a new member proves to be acceptable during this probationary period, he will be then sworn in as a member of the SE. Following this swearing in ceremony the new member will be furnished with an NRP membership card.

At the present time, there are approximately 15 to 20 active members of the NRP in the New York City area.

#### II. ACTIVITIES

#### A. Meetings

The NRP currently holds its general meetings on Sunday evenings at the residence of JAMES H. MADOLE, Apartment 8, 10 West 90th Street, New York City. The purpose of these meetings is to indoctrinate the newer members with the basic precepts of the NRP. Speeches are usually given by MADOLE which advocate anti-Semitic, anti-Negro, and neo-fascist lines.

These meetings also serve the purpose of informing all members present of future plans for NRP activities such as counter-demonstrations and literature distributions.

If a meeting of officers of the NRP is deemed necessary, a meeting is usually held on Thursday evening at the same location.

#### B. White Power Conference

The NRP held a "White Collar Conference" on April 18, 1969, from 7 to 10 p.m., at Public School 169, 113 East 87th Street, New York, New York. Approximately 105 persons were in attendance at this conference, including about 25 hecklers. JAMES MADOLE gave a speech which was particularly anti-Semitic, anti-Negro, and anti-Communist.

Other speeches were also given which emphasized the theme that trouble in New York City is caused by Communists and Negroes. It was further mentioned that Communists are taking over and overthrowing the United States Government.

NY T-1 April 22, 1969

# C. Picket Lines and Counter-Demonstrations

On May 1, 1969, the New York District Communist Party, United States of America, sponsored a "May Day Rally" at Union Square in New York City. The NRP sponsored a counter-demonstration to this rally and organized a picket line in the immediate vicinity of the New York District Communist Party.

Special Agents (SAS) of the Federal Bureau of INvestigation (FBI) observed 12 NRP demonstrators carrying signs and banners, some of which bore the following inscriptions:

"Brotherhood is a Jew plot to destroy the white race."

"GIs die while Jews get rich"

"Red Jews are behind Nigger riots"

"Smash the black revolt with white power"

Other speeches were also given which emphasized the theme that trouble in New York City is caused by Communists and Negroes. It was further mentioned that Communists are taking over and overthrowing the United States Government.

# C. Picket Lines and Counter-Demonstrations

On May 1, 1969, the New York District Communist Party, United States of America, sponsored a "May Day Rally" at Union Square in New York City. The NRP sponsored a counter-demonstration to this rally and organized a picket line in the immediate vicinity of the New York District Communist Party.

Special Agents (SAS) of the Federal Bureau of INvestigation (FBI) observed 12 NRP demonstrators carrying signs and banners, some of which bore the following inscriptions:

"Brotherhood is a Jew plot to destroy the white race."

"GIs die while Jews get rich"

"Red Jews are behind Nigger riots"

"Smash the black revolt with white power"

The "New York Daily News", a newspaper published on a daily basis in New York City, contained an article in its June 2, 1969 edition which described a Jewish parade on Fifth Avenue in New York City on June 1, 1969. This parade was known as the "Fifth Annual Salute to Israel Parade".

This article went on to state that the marchers in this parade were heckled by members of the NRP, a neo-Nazi group. It mentioned that about a dozen members of the NRP picketed behind police barricades at 60th Street and Fifth Avenue. They carried a large red flag decorated with a black thunderbolt on a circular field of white.

On June 2, 1969, SAS of the FBI observed a mass public meeting held at Manhattan Center, 311 West 34th Street, New York, New York, under the sponsorship of the Fifth Avenue Vietnam Peace Parade Committee (FAVPPC), a New York City anti-war co-ordinating committee. Prior to the meeting the NRP held a picket line demonstration across the street from the Manhattan Center, consisting of approximately 15 individuals waving Nazi flags. This counter-demonstration began at 7:15 p.m. and ended at 8:30 p.m.

On June 21, 1969, the NRP set up a picket line across the street from a bookstore located at 42nd Street and Broadway, to protest the selling of pornographic literature. Eleven NRP members marched in the line and three members watched from across the street. After this picket line broke up all the NRP members went back to MADOLE's apartment where MADOLE congratulated them for their performance.

NY T-1 June 23, 1969

On June 25, 1969, a protest meeting against the Anti-Ballistic Missile system was held at the Felt Forum, Madison Square Garden, New York, New York. Various peace organizations in the New York City area attended this meeting.

A Special Agent (SA) of the FBI observed a counter-demonstration to this protest meeting held by the NRP on the West Side of 8th Avenue, opposite Felt Forum, Madison Square Garden. Eight NRP members attended this counter-demonstration.

On August 9, 1969, a peace demonstration-march began at 41st Street in New York City. The demonstrators marched past Times Square in New York City, where a counter-demonstration was observed by FBI personnel as being held in the vicinity of the Armed Forces Recruiting Station. This counter-demonstration was sponsored by the NRP and about ten individuals were participating. They carried signs reading as follows:

"Bomb Tel Aviv"

"White Collar"

"Kill Red Peace Creeps"

"Jews Must Go"

On December 9, 1969, SAS of the FBI observed ten NRP members convene at the Southwest corner of Park Avenue and 51st Street, New York, New York. These NRP members established a picket line at that location for the purpose of staging a counter-demonstration to a group of about 3,000 individuals engaged in anti-war demonstration in the same vicinity. The NRP marched in an orderly fashion carrying signs. Some of these signs read as follows:

"Racial Purity is American Security"

"Karl Marx Was a Jew"

"American Power Not Jew Power"

On March 12, 1970, SAS of the FBI observed a picket line being held by the NRP in front of the main Post Office, 8th Avenue and 33rd Street, New York City. Approximately 12 persons participated in this NRP picket line and carried an American flag, two thunderbolt flags and the following signs:

"America for Whites"

"America First"

"American Power Not Jew Power"

"Keep GIs Out of the Middle East"

On April 12, 1970, FBI personnel observed the NRP participate in a demonstration against the Soviet Mission to the United Nations located at 67th Street, between Lexington and Third Avenues. The NRP established a picket line at the southwest corner of 67th Street and Lexington Avenue. Approximately ten NRP members participated and they carried signs which were anti-Soviet Union, anti-Jewish, and anti-Communist in nature.

### D. Literature Distribution

JAMES H. MADOLE usually does not participate in the picket lines at various NRP counter-demonstrations. Instead, MADOLE stands at the head of NRP's picket line and passes out NRP literature to bystanders and other people passing by.

On April 4, 1970, the NRP distributed its literature at the entrance to the New York Coliseum, Columbus Circle, New York, New York. An auto show was being conducted at the New York Coliseum at that time and numerous people were in attendance. In the space of one hour approximately ten members of the NRP passed out about 4,000 pieces of NRP literature to people in the immediate area.

#### IV. PUBLICATIONS

The "National Renaissance Bulletin" remains as the major publication of the NRP. This bulletin does not come out on a regular basis but is generally published about every three months. It is then mailed to all those on the NRP mailing list throughout the country.

The NRP currently has a mailing list which numbers about 4,000 people. MADOLE maintains this list at his residence, in the form of a series of three inch by five inch cards.

MADOLE has recently given the task of arranging for the NRP to obtain a mimeograph machine for the purpose of running off NRP bulletins and other literature. To the present date, has not obtained any machine.

Sources furnished a copy of a throw-away which was obtained at a NRP meeting on April 5, 1970. This throw-away was being distributed by the NRP in the New York City area at its recent activities. In part this throw-away contained statements as follows:

"Anarchy, nihilism and Bolshevism are Jewish weapons to saboage and destroy everything that is not Jewish."

"Jews are aware of their own vile, dirty, base and filthy low nature and that they suffer from that complex and they bring everyone else down to their sick level—hippies, yippies, creeps... encouraging others to dress like slobs and be dirty and revolting."

"Jews are moving towards a world government (one world) through the United Nations with the capitol to be in Israel."

"The Jews are the greatest threat to the world!"

#### NATIONAL RENAISSANCE PARTY

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically shund Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

CHARACTERIZATION OF SUBVERSIVE, RACIAL, KLAN, WHITE HATE, AND MILITANT BLACK ORGANIZATIONS

#### THE DEADLINE FOR THIS PROJECT IS MAY 20, 1970

Pursuant to instructions set forth in Part II, Section 4, pages 21-23, of the Manual of Rules and Regulations, the NYO must submit annually by June 1st certain information concerning the characterization of organizations.

The above-captioned organization is among those organizations on which a characterization has previously been submitted and should be brought up to date, or one on which a characterization should be submitted.

review the existing characterization on captioned organization to determine if the characterization is current, or to review the case file and prepare an original characterization where none exists.

reflect current status of the organization and should be clear and concise. They should reflect date organization formed; its aims and purposes; subversive initiation, domination, or control; and current status. In those instances in which the nature of the organization has changed from legitimate to subversive or vice versa, such changes should be clearly shown, together with the dates thereof. Information in the characterization should be attributed to "a source" and no "T" symbols nor evaluation of the sources should be reflected in the characterization. The identity and evaluation of the sources used should be reflected at the end of the characterization under the heading "Sources", with sufficient spacing to indicate it is not part of the characterization.

Characterizations of organizations will fall in one of the following categories:

- (A) Organizations which have become defunct since June 1, 1969.
- (B) Newly formed organizations on which cases are pending and concerning which insufficient information exists as yet to prepare a characterization.
- (C) All active organizations on which characterizations are being submitted for approval.

If the case you are reviewing for this project falls in Category "A", merely submit a memorandum for file, with a copy for the subversive organization file (100-90311), reflecting Bureau file and date characterization submitted to Bureau reflecting organization is defunct. If the organization is newly formed, submit a memorandum for file with a copy for the subversive organization file (100-90311) reflecting Bureau file and a statement reflecting information set out in Category "B". These memoranda should be forwarded to SA Section 44.

If the organization falls within Category "C", then prepare an up-to-date characterization, except in those cases where a current characterization has been submitted since April 1, 1970. In the latter case, merely submit a memorandum as above, reflecting date characterization submitted and Bureau file number.

Pursuant to current Bureau instructions the upto-date characterization must be submitted to the Bureau on letterhead stationery which should be prepared as follows: b6 b7C

New York Committee For May Day 1970 Security Matter - C

On May 4, 1970, a confidential source, advised that the New York Committee for May Day 1970, which was sponsored by the New York District Communist Party (NYDCP), held a parade and rally in New York City on May 1, 1970, from 5:00 FM to 7:00 FM.

Special Agents (SAS) of the Federal Bureau of Investigation (FBI) observed the parade participants assemble at West 38th Street and Eighth Avenue, New York City (NYC). At 5:00 PM, this parade proceeded to march by sidewalk east on West 38th Street to Broadway, south on Brodway to 17th Street, thence into the north end of Union Square park where the May Day rally was already underway. There were one hundred and ten participants in the parade, led by Jose Ristorucci. Placards carried by the participants read: "Free Bobby Seale", "Free the Panther 21", and "Free All Political Prisoners Now".

In April, 1970, a second confidential source identified Jose Ristorucci as Chairman of the New York County Communist Party (NYCCP), and a member of the NYDCP Board and Committee.

> A characterization of the Black Panther Party (BPP) is contained in the Appendix. A characterization of Bobby Seale is included in the BPP characterization.

SAS of the FBI observed the rally to begin at 5:00 PM in Union Square park. The co-masters of ceremonies were Donna Ristorucci and Jose Stevens.

In April, 1970, the second confidential source identified Donna Ristorucci and Jose Stevens as members of the NYDCP Committee.

The first speaker was introduced as Nathan Solomon from the Freedom and Peace Party. He asked for the support of the Black Panthers in New Haven, and suggested that all of the Left get together and form a coalition instead of each group demonstrating separately. Solomon criticized the "Nixon policy" both at home and abroad, and called for the United States to get out of Vietnam and Cambodia and bring the troops home.

A third confidential source advised in 1946, that Nat Solomon was a member of the CP in NYC.

The next speaker was Yashua Ben Levi, also known as Jim Tucker. He was introduced as a rank and file member of the International Ladies Garment Workers Union (ILGWU), which union he criticized as being racist. He criticized the space program, saying that the money could be better used in improving living and working conditions in this country. He called for the black people to organize, that they still have no rights, and criticized the treatment of the Black Panthers by the police.

In October, 1968, a fourth confidential source advised that Tucker was a member of the 17th A.D. Club, Kings County Communist Party as of September 25, 1968.

Reverend Frederick Douglas Kirkpatrick, a folksinging guitarist, then sang a few songs including, "Stop the fires of Napalm".

The next speaker, Louis Weinstock, was introduced as "Mr. May Day". He sent greetings to the New Haven demonstrators, and expressed anger at President Nixon's speech of the previous night. He called the President "a liar, traitor, and war criminal". He stated that Nixon and Vice-President Agnew belong with the National Renaissance Party (NRP) which was then counter-demonstrating across the street. He asked those present to work for peace and socialism.

In April, 1970, the second confidential source identified Louis Weinstock as a member of the National Committee, CP, USA.

A characterization of the NRP is included in the appendix.

Jose Stevens was the next speaker. He was introduced as the Chairman of the Harlem Section Communist Party of New York. He asserted that the United States has initiated an expanding war in Cambodia - that it cannot win in Vietnam or in Southeast Asia. He said that United States imperialism continues to support Israeli imperialism and to oppress the black community, but that the working class is regrouping and beginning to fight. He said that the CP with its liberation movement will finally win out because the young people see the need for Marxism - Leninism and are able to express this through the Young Workers Liberation League (YWLL).

A fifth confidential source advised on March 6, 1970, that the Founding Convention for a new Marxist-Leninist Youth Organization was held February 7 through 9, 1970, in Chicago. This Convention was sponsored by the CP, USA and formally adopted the name Young Workers Liberation League (YWLL).

The next speaker, Maria Sanchez, was introduced as a rank and file member of the ILGWU. She called for her union to demand that the government remove all troops from Vietnam, and use those billions of dollars for housing and education at home.

The next speaker, Rasheed Storey, was introduced as the Chairman of the New York State Communist Party, active in the revolutionary movement, and in Ocean Hill and Bedford-Stuyvesant.

Storey declared his belief that American people are sick and tired of our Asian policy, and he thought American domestic policy is also wrong - that the policies of the Nixon Administration are dictated by weakness. He said that the decision to send troops into Cambodia is based on weakness. He said there is a need for unity on the Left, and asserted that "we" are on the brink of a giant breakthrough as shown by the rally in New Haven. He called for getting out of Southeast Asia, and for development of new perspectives, with a rank-and-file movement in every industry.

In April, 1970, the second confidential source identified Rasheed Storey as Chairman of the New York District CP, and a member of the National Committee, CP, USA.

The next speaker, Jesse Gray, was introduced as a Harlem tenant leader and candidate for United States Congressman from Harlem. He stated that the nation is ruled by the Pentagon, and that just as the Black Panthers are oppressed, so are the workers. He called for a program to renew the confidence of youth in the Left movement, and stated, "we must take power into our hands".

In November, 1958, a sixth confidential source advised that Jesse Gray, who had been the Organizer of the Harlem Region CP, terminated this position in November, 1958.

The next speaker, Pauline Rosen, was introduced as an active lady in the fight against the war in Vietnam. She

was critical of Nixon's decision to send troops into Cambodia, asserting that this is not the desire of the American people. She called it an effort by the United States to take over all of Indo-China. She urged her listeners to contact their Congressmen and call upon them to institute impeachment proceedings against President Nixon. Rosen announced that the New Mobe (New Mobilization Committee to End the War in Vietnam) plans a demonstration in Washington, D.C. on Saturday, May 9, which will urge the United States to get out of Indo-China. She announced that buses will leave at 6:00 AM on Saturday from Union Square, NYC.

In April, 1970, the second confidential source identified Pauline Rosen as a member of the NYDCP Board and Committee.

The last speaker was Roque Ristorucci introduced as being a member of the YWLL. He spoke in both English and Spanish. He called President Nixon's policies criminal, and called for the withdrawal of United States troops from Southeast Asia. He asserted that the YWLL is dedicated to building a mass movement for peace.

In April, 1970, the second confidential source identified Roque Ristorucci as a member of the NYDCP Committee.

The Reverend Kirkpatrick sang a concluding song and the rally ended at 7:00 PM, which was the time limit of the permit. No incidents were observed. Approximately 500 to 600 persons participated in the rally. It was predominantly an elderly group which seemed to be more interested in socializing than in listening to the speakers.

An upright American flag was displayed on the speakers platform. Above the platform was a large banner which read "May Day 1970 Peace - Jobs - Freedom". Also, the following signs were displayed around the speakers platform:

"Organize the Unorgnized"; \$150 minimum wage"; "Hands off the Panthers"; "Fight Racism for Working Class Power";

"End U.S. Oppression in Vietnam - Laos - Cambodia"; "Stop Nixon's War Now"; "For Puerto Rican Independence".

A counter-demonstrating group of twelve to twenty individuals under the banner of the NRP marched within a barricaded area on the north side of 17th Street near Broadway.

In regards to the May Day rally and parade, articles appeared in the "Daily World" on various dates.

The "Daily World" is an east coast communist daily newspaper.

The following article appeared in the "Daily World" issue of April 30, 1970, page three:

"May Day, the international labor holiday, will be celebrated with big parades and rallies throughout the whole socialist world, in many of the emerging nations of Asia and Africa and in colonial and capitalist countries.

"May Day, born in American labor's struggle for the eight-hour day in the 19th century, has been adopted by working class movements throughout the world as a day of celebration and struggle.

"In New York, the Committee for May Day, 1970, called for a mass turnout Friday to demonstrate against increasing repression.

"We see the defense of victims of repression as the major theme of our rally this year', it said.

"'May Day arose out of the Haymarket incident in 1886 where Chicago workers were brutally attacked by agent provocateurs and police and, as a result, hundreds framed, jailed and killed. May Day this year is taking place in the midst of a renewed repressive attack by U.S. capitalism on the Black liberation, labor and peace movements.

"The celebration of May Day in New York will be part of the protest against the attempt to destroy the Black Panther Party and the planned murder of Bobby Seale in New Haven. We call upon all participants in this May Day to go to New Haven on May 2".

## CONETRENTIAL

New York Committee For May Day 1970

"In the tradition of the 15,000 workers who gathered at Union Square in 1886 demanding the eight hour day, the May Day Committee will have its rally there at 5:00 p.m. this Friday. A parade to Union Square will assemble at 38th Street and 8th Avenue at 4:45 p.m.".

The late edition, New York "Post" issue of May 4, 1970, page 70, contained an article captioned "Court Seals Cops' Protest Films" by CHARLES DE LA FUENTE. This article reads as follows:

"Films and TV tapes made by the Police Dept. at a May Day rally in Union Square will be impounded by a federal judge tomorrow as court hearings begin on the department's right to keep photographic records of such demonstrations.

"The order impounding the films was won last Fridaythe day of the rally - by the New York Civil Liberties Union, which hopes to make the May Day filming a test case in its effort to halt such police record-keeping.

"Police here began using last year a closed-circuit TV system to enable commanders at Police Headquarters to monitor demonstrations and make snap judgments on moving more men in if trouble erupted. The TV hookup can also be used to make permanent videotapes of the scenes being relayed back to headquarters - a practice the NYCLU calls an unconstitutional invasion of privacy.

#### A Puzzle

"Burt Neuborne, the NYCLU staff counsel who filed the suit to have the photographic records destroyed and to block additional pictures from going into police files, said today it was unclear whether permanent videotapes were made of Friday's rally, or whether the early evening events were just screened by police brass.

"The Police Dept. had no immediate comment.

"Neuborne said he believed the equipment to make permanent videotapes may have been "turned off" after the department got wind of the legal challenge to its activities - which was filled in midrent to the excercies of rights morning in Federal District Court in Manhattan.

"The NYCLU had sought an injunction against the making of permanent records, but by the time Judge Charles H. Tenney signed the order the rally was under way.

"Neuborne said one police official told him it was departmental practice to make records of all demonstrations in the five boroughs, but another said the permanent taping equipment was turned on only when demonstrations became disorderly.

"'What outrages me', he said today, 'is that this permanent stuff . . . becomes part of the (police)records' and any participant caught in the camera's lens goes into a police file.

"He said such 'big brother activities . . . are a substantial interference with Constitutional rights . . . of individuals to privacy and anonymity and are a deterrent to the exercise of rights protected by the First Amendment'.

"Whether or not tapes of Friday's demonstration exist, the NYCLU will press in court tomorrow for a permanent injunction against the use of the close-circuit TV cameras to make the videotapes.

"The suit grew out of a complaint to the union by Myles Weintraub, a Cornell University School of Architecture official who said Telephone Co. lines were installed without his permission in his office at 200 Park Av. S. overlooking Union Square \_ to carry the pictures to Police Headquarters."

BLACK PANTHER PARTY Also Known As Black Panther Party for Self-Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by BOBBY SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense, NEWTON was sentenced in 1968 to serve 2 to 15 years after being convicted of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

> Re: NATIONAL RENAISSANCE PARTY CHARACTERIZATION OF SUBVERSIVE ORGANIZATION RACIAL MATTERS

On April 16, 1970, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director, and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, Apartment 8, New York City, New York, where weekly meetings, usually on Sundays, are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

AND AND THE SECRETARY OF THE SECRETARY O

AVE T A BENEFIT A S

On June 6, 1970, the National Renaissance Party (NRP) sponsored a street rally at Second Avenue between 83rd and 84th Streets, New York City. This rally commenced at approximately 6:45 PM and lasted until 8:30 PM. NRP members who participated are listed as follows:

JAMES MADOLE
BOB WOODCOCK
LOUIS MOSTACCIO
BRUCE ITHIER
DAVID KERR
RAY MANCHESTER
RICHARD BAYER
KEVIN O'BRIEN
CURTIS BRUEN, from Alexandria, Virginia
RONALD TAVIS
FRANK GOSLICK
HARRY KRUSE
JOHN CHARLEBOIS
DAVID O'DONNELL
(FNU) SELLERS

At 6:45 PM a speaker's platform was erected on the hood of BRUCE ITHIER's station wagon. A public address system was also set up and MADOLE, MOSTACCIO, ITHIER, and KERR made speeches. All of the speeches were basically anti-Semitic and anti-Negro in nature.

At about 7:15 PM, the public address system became defective and unusable. This led to the end of the street rally at an earlier time than originally anticpated. CURTIS BRUEN was scheduled to give a speech but was unable to do so because of the breakdown of the public address system.

The NRP members present, other than the speakers, stood around the speaker's platform. Three flags were flown. One was the United States flag and the other two bore the thunderbolt insignia of the NRP. Thunderbolt armbands were also worn by those present.

At the height of this street rally, a crowd of about 300 spectators gathered across the street from the speaker's platform. Most of these jeered and heckled the NRP activity. Three persons tried to engage in physical violence with the NRP members, and were removed from the area by the NY City Police Department. A set of wooden barricades had been erected by the NYCPD around the NRP speaker's platform.

No literature was distributed and no signs or posters were exhibited. Also, no picket line was formed by those present.

At the end of the rally everyone present except GOSLICK and MANCHESTER returned to NRP headquarters of MADOLE's residence, 10 West 90th St., Apt. 8, NYC. Other street rallies similiar to this one, are to be held on June 13, June 20, and June 27, 1970.

A regular NRP meeting was held on Sunday evening, June 7, 1970, at headquarters.

Gentlemen:

This filth was distributed at the corner of Wall and Broad Streets recently. Isn't it stretching the concept of free speech?

#### ARE JEWS BEHIND AMERICA'S INTERNAL REVOLUTION?

We should like Gentile Americans to forget their vaunted tolerance of malignant racial minorities just long enough to consider the following words of wisdom from a famous Eurepean Statesman AND TO APPLY HIS WORDS TO PRESENT CONDITIONS IN THE USA:

"IN THE POLITICAL FIELD THE JEW REFUSES THE STATE THE MEANS FOR ITS SELF PRESERVATION, DESTROYS THE FOUNDATIONS OF ALL NATIONAL SELF MAINTENANCE AND DEFENSE, DESTROYS FAITH IN THE LFADERSHIP, SCOFFS AT ITS HISTORY AND PAST, AND DRAGS EVERYTHING TRULY GREAT INTO THE GUTTER...CULTURALLY HE CONTAMINATES ART, LITERATURE, THE THEATRE, MAKES A MOCKERY OF NATURAL FEELING, OVERTHROWS ALL CONCEPTS OF BEAUTY AND SUBLIMITY, OF THE NOBLE AND THE GOOD, AND INSTEAD DRAGS MEN DOWN INTO THE SPHERE OF HIS OWN BASE NATURE. AELIGION IS HIDICULED, ETHICS AND MORALITY REPRESENTED AS OUTMODED UNTIL THE LAST PROPS OF A NATION IN ITS STRUGGLE FOR EXISTENCE IN THIS WORLD HAVE FALLEN."

Consider the truth or falsity of the above statements! Who are the publishers of America's UNDERGROUND PRESS, the literary dunghills which combine the vilest forms of human degeneracy and sexual perversion with a strong dose of anti-American political indoctrination for migh achool and college kids/ the Executive Editor of "SCREW" is the Jew, ALVIN GOLDSTEIN, the publication "KISS" is edited by the Jew, JOEL FABRICANT, while the Jews, ALLEN KATZMAN and JAAKOV KOHN, hold forth on "THE EAST VILLAGE OTHER". Study the editorial pages of such left-wing, whore-house literature as "THE BERKELEY BARB", "THE FREE PRESS", "PLEASURE" ad nauseam and you will find a stinking rat's nest of Jewish Nihilists. Who are the bearded, urwashed "Hippies" and suave pseudo-intellectuals who seek to distort Nature and sabotage America's military defense? The Jew, DAVE DELLINGER, heads the Vietnam Peace Parade Committee which sends hordes of Jewish "Beatniks" and leftist subversives down rifth Avenue each year to encourage Ho-Chi-Minh's ked troops and stab our soldiers in the back. The membership of the notorious STUDENTS FOR A DEMOCRATIC SOCIETY (SDS) which has completely disrupted the American educational system (both at university and High School level) IS AT LEAST 75% JEWISH. Among its leaders are the Jews, MIKE KLONSKY, MARK RUDD, and LEWIS COLES. Arrested for illegal activities in behalf of SDS at Brooklyn College was the Jewess, LYNN ROSSMAN. Among those arrested with MARK RUDD for illegal trespass at Columbia University were the Jews, FhankLin Baraff, Michael Golash, and James Goldberg (an English teacher at Columbia). The "PSYCHEDELIC REVOLUTION" which seeks to emasculate American youth through the use of hallucinogenic drugs, phoney "gurus" and distorted Oriental mysticism has been promoted by such Jews as ISAAC ABRAMS, RICHARD ALPERT, DAVID AMRAM, ALAN GINSBERG, WATI KLORWEIN, PETER MAX, and RALPH METZNER. The chief promoter of the "PERMISSIVE SOCIETY" and champion of the anti-Natural belief that children should dominate parents and that young men should burn their draft cards and refuse to serve their country in time of war with Reds is the Jew, DR. BENJAMIN SPOCK. This phoney pacifist admitted on the LFS CRANE TV SHOW that he sent a telegram to President Johnson demanding immediate American intervention on behalf of Israel at the outbreak of the SIA DAY WAR. Leaders of the "YIPPIES" which created the bloody Chicago riot in 1968 were the repulsive Jews, ABLE HOFFMAN and JERRY RUBIN, the latter being also a leader of the BLRKELLY FRLE SPEECH MOVEMENT for verbal filth and obscenity.

#### NATIONAL RENAISSANCE PARTY

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

#### PROGRESSIVE LABOR PARTY (PLP)

The "New York Times" city edition Tuesday, April 20, 1965, Page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP, which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962, by MILTON ROSEN and MORTIMER SCHEER after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31, to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's overall revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention, MILTON ROSEN was unanimously re-elected National Chairman of the PLP and LEVI LAUB, FRED JEROME, JARED ISRAW, WILLIAM EPTON, JACOB ROSEN, JEFFREY GORDON and WALTER LINDER were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor", a bimonthly magazine; "World Revolution", a quarterly periodical; and "Challenge-Desafio", a monthly newspaper.

The April, 1969, issue of "Challenge-Desafio", sets forth that "Challenge is dedicated to the peoples fight for a new way of life-where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them."

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.

Sme of the members of the NRP continued to suggest that the NRP take some type of retalitory action against the JDL, but were again cautioned against doing so by who stated that the members of the JDL would probably file criminal charges against any NRP member who assaulted them.

JAMES MADOLE announced that the NRP would have their loudspeaker system repaired and ready for use at the NRP street rallies to be held every Saturday evening during June, 1970 at the corner of Second Avene and 84th Street, New York City.

Dear Mr. Malone:

Attached is copy of pamphlet which was distributed at the Staten Island ferry (outbound, from Bowling Green) late yesterday afternoon, about 5:00 P.M.

How terrible for America that this can be allowed to occur. This is an outrage - and an abuse of our free form of Government. Is it possible that we have no laws to protect against racial slurs of this type?

The writer served for four years as a fighter pilot during World War II, and was prepared to make any sacrifice necessary for our country. This holds true for today, as well.

Will you please carefully examine the enclosed and advise whether anything can be done to penalize this "National Renaissance Party".

Your attention will be most appreciated.

Very truly yours,

THE SPRAGUE & RHODES COMM. CORP.

The article captioned "NRP Organizes New Branches in Long Island and New Jersey" reflects that the NRP had frequently been asked to form brances of the NRP to serve in other areas, but have deferred from doing so until they could place men who had been trained at NRP headparters in NYC at their helm. Only these men would have the necessary combat training, organizational ability and knowledge of the NRP's aims and program to adequately devote themselves to building the NRP in outlying areas of the USA. The first branches, complete with their own officers, letterheads and post boxes, are:

- 1) NRP, New Jersey Division, Political Coordinator DAVID KERR, Post Office Box 233, Fanwood, New Jersey 07023.
- 2) NRP, Long Island Division, Political Coordinator BRUCE ITHIER, Post Office Box 191, Hicksville (Long Island), NY 11801.

The article further reflected all members and/or supporters in these areas will be receiving political questionnaires concerning their availability for immediate local or state political projects. Please respond to these questionnaires as quickly as possible to facilitate NRP political activity in your area.

A card was received from James H. Madole dated 7/5/70, which stated as follows:

"I am calling a most important SE meeting on Sunday evening, July 12, at 6 PM, at headquarters. It is vitally necessary to reorganize certain sections of the SE and all dead wood must be removed. I want every SE man to be in attendance on July 12 without fail as I want a head count of those I can depend upon to carry foward these street rallies. Please try to be here at that time or earlier."

RE: America is befallen the Jewish bacillus - either the Jewish bacilli will destroy
America and its people or America and its
people will destroy the Jewish bacilli

BEAR AMERICANS

Who is the American NUMBER ONE EREMY?

The North Vietnamese ? The Russians ? The Communists? The Chinese ? The "liberal" students ? The "liberal" politicians ? The hippies and yippies ? etc. etc. N O :

THE ONLY AMERICAN . ENEMY IS THE

AMERICAN. J E W

All other above mentioned are only JEWISH TOOLS willing or unwilling.

Vietnom war

The Vietnam war was kanshir brought about by the cunning intrigues of and by Jews. Since the very beginning up to now North Vietnam receives annually millions of dollars, armament, foodstuff from AMERICAN JEVS.

Vietnam anti-war demonstrations and instigations in America and other parts of the world are done by A N E R I C A N J E W S and Jewish dummies.

American Jews for taking over American economy, political positions, accumulating, billions of dollars had to bring America into war.

The Jewish outcry against Americans in Cambodia — was the Jewish fear that the American government and American people could learn about the Jewish support of North Vietnam.

New York City is the Jewish headquarters and Jews are completly taking over New York State.

New York City police, New York State police, FBI in New York City and Wahington are Jewish tools, under Jewish leadership direct or indirect and the protectors of Jewish crimes. Jewish atrocities.

#### Narcatica

Jews are organizers and wholesalers in narcotics; narcotics come mainly from I s r a e 1 - every school, college, university is supplied by Jews with narcotics. Never in the history (and what is happening in America the same did Jews in Germany) could Jews murder with such an ease other races as now in America.

Jews are employing a large armeda of compromised white and black Jewish tools who do run the "risk" in the sale and distribution of narcotics.

It is not enough to write about narcotics but the brain demages and humiliations of young Apericans is tenfold and ruined lives.

Jews are the only wholesalers in narcotics. Jewish ADA and DA bring to the courts the Americans victims; Jewish judges punish the Am. victims; Jewish doctors "cure" the Am. victims; Jewish clerks and officers "lecture" the Am. victims; Jewish teachers, professors, newspapers, TV, radio, magazines lure the Am. victims - you can see it is a very profitable matter (narcotics) for the American Jews - byt- yet the main goal for the American Jews - narcotics is - for the destruction of the non-Jewish races in America (their reputations, their dignity, their brains, their lives.)

## Mental hospitals

have two important functions — one is when a Jew or a black or white slave-workers, or employe in pornography or narcotics is arrested (what seldom happens) then he or she goes into a mental hospital where they are soon released regardless how big their crime was — the second important function is when any tenant who dares to complain in a Jewish house about noise night and day coming from Jewish pornographic factories (apartments where Jewish pornography goes round the clock) or anybody criticizing Jewish crimes and atrocities is immediately send to a mental-prison hospital as mentally sick (he hears and seem things which "do not exist") and so Jews get rid in a fast way of any opposition and discovery of Jewish crimes in NYC and ohter parts of USA is impossible.

Explosions

Jewigh teachers and professors at high schools, colleges, universities teach and instigate non-Jewigh students how to make and how to use different self-made bombs .... But all explosions, fires in subways and buildings in NYC and bombings in Washington the Portuguese Embassy and Rhodesian office; St. Ann's Melkite Catholic Church in Paterson N.J. and emplosions and bombings in other parts of America are organized and made by Jews - and Jews will continue in it. Let's point out the Jewish Defense League 156 5 Avenue in Manhattan, New York with its 7.500 members all over America which is responsible for all emplosions and bombs +(police Headquarters in NYC which was a threat by Jews to police com. Leary.)

Jeus got in 1969 over 150 million dollers from Mayor Lindsay for "consultant services" (probably "How to make riots, explosions" and "how to fool people and become masters of them in a fast way.)

Pornography

is an enormous large Jewish industry. The housing shortage in NYC is due to the hundreds and hundreds of pornographic "factories" in spartments big and small. In Mitchell-Land houses, in all city, state and federal supported houses but owned by Jews and in Jewish rent-controlled houses goes on the groduction of pornography round-the-clock.

Prevailing percentage of Jewish pornographic workers and employes are Negroes (many females - who are "tenents" of these apartments where pornographic production ages on round the clock.) but also whites, and these pornographic workers do everything for their Jewish master from perjury, conspiracy, extertion, torture and all frauds to inhuman atrocities to nurder. Jewish pornographic workers and employes are on welfare, are "students" with support of SEEK, are paid by Neighborhood Youth Corps and get rent-subsidies and all city, state and federal funds which exist.

NYC Jewish courts and their black and white human tools are very busy in punishing (of course under a clock) persons who oppose or dare to criticize Jewish pornography, narcotics, Jewish atrocities, Jews create artificial everywhere chaos for hiding their dirty work.

The words "Democracy" and "constitution" in America but specially in NYC is only used by the Jews and serves the Jews for preventing Jewish crimes and atrocities to be discovered - the non-Jewish Americans are under Jewish dictatorship and exposed to Jewish atroities unprotected.

Science is disused and misused by Jews and serves the Jews for more cunning tortures and the complete destruction of all non-Jewish Americans one by one who are not willing to become claves in Jewish hands. Jews are destroying and liquidating Americans morally, physically, mentally and ruin their reputations.

Jewo impute the feeling of guilt: Jewish hyenas coll non-Jewish American crasy, lunatics thieves, criminals, naive idiots and Nazis if anybody dares to mention Jewish-perverse-sadistic-atrocities and Americans are paralyzed by the Jewish hyenas.

Jews are against any new law to curb crime or organized crime (why ? ) but Jewish low enforcement agencies get billion of dollars to protect Jewish organized crime.

Pornography is a very important factor for destroying the nerves and it leads to onanism by children and young people and it is for humiliating the human beings — and pornography is a several-billion-dollar-income for Jews — no tax is paid.

Jews are opreading all over America and as Fifth Column are causing chaos and destruction of the American people and its government.

Whatever President Nixon or vice President Agnew say is ridiculed, belittled, distorted, prostituted in newspapers, TV, radio, magazines — these " F R E E " mass media which are only J E W I S H P R G P A G A W D I Z E D W A S S F O O L I N G S .

There is a 50-member-Jewish-group with headquarters in NYC. These Jewish-gangsters decide about Aderica and the world and the decided about the nurders of president Kennedy. Robert Kennedy. Dr. Hartin Luther King Jr. J E V S V E V E V D V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V C V

Some of the names of the members-gangsters of those fifty Jewish hyenes are:
Ocho Sulzberger - main editor of the New York Times; Emanuel Celler - Chairman of the
House of Judiciary in Washington; New York Senator Jacob Javits; private builder
Samuel Lefrak - owner of Lefrak City in NYC. State Attorney General of NYS Louis
Lefkowitz and others.

Some of the members of the large armada of important Jewish durmies are:

John Lindsay - mayor of NYC, Frank Hogan - DA for Manhattan, Howard Leary - NYC
police commissioner; William O. Douglas; Hugo L. Black - supreme court justices;
Senators - Frank Church, John S. Cooper, Mark O. Hatfield, Nike Mansfield, William
Fulbright, George McGovern and many others.

Jews are milking all city, state and ederal funds. "Environmental conservation" this Jewish slogan will serve the only Jewish purpose of milking billions of dollars out of federal funds and for liquidating non-Jewish industry and croporations.

Jews want to become masters and owners of America and with the American atomic bombs to destroy Russia and China and Jews want to become masters and owners of the world - the Jewish dream of many hundreds and thousands of years would come true.

Look at the Middle East - 2 (two) million of Jews keep under their tyranny

Look at America - 6 [six] million of Jews - fool and tyrannize - enslave, humiliate and murder 194 million of Americans.

Under the cover of law enforcement agencies, civil rights, human rights, environmental conservation and all city, state and federal agencies headed and infiltrated by Jews - Jews do their destructive work against and on the American nation and its president. Under the cover of "doctors", "advisers", "prists" Jews do their destructive work on the morale of the American soldier in Vietnam and other parts and places where the American soldier is.

With the American taxpayers money Jews are panetrating and infiltrating into the economy of European nations. An old Jewish rule "first to take over the economy, by means of mass media, sex and narcotics to destroy people, to cause inflation and to corrupt the government and then to take it over as Jewish "savers" the whole country. While the American taxpayer works - the Jews make intrigues and instigations in America and in all parts of the world.

STOP AMERICA BEING AM ISRAEL COLONY

Americans, you must realize as long as ONE JEW IS IN AMERICA
THERE WILL NOT BE PEACE AND PREEDOM AND
HUMAN DIGNITY IN AMERICA:

Americans awake, S T O P thousands of murders and humiliations and sadistic-perverseatrocities which are made by Jews on the Americans S T O P being Jewish slaves and Jewish tools or bees in Jewish criminal hands.

A M E R I C A N S U N I T E, boycott everything what is Jewish (docrors lawyers, "superiors" etc.etc.) D I S C O V E R J E W I S H C R I M E S , start defending yourself, your home and country by hook or by crook (self-defense comes before anything else.)

AMERICA NS. THROUTHE JESTS OUT OF AMERICA - MAKE AMERICA FREE

P.S. Who invented and what is Communism? Jews invented Communism for themselves how to englave and torture non-Jewish human beings.

Copy this or mimeograph it ten or hundreds of times and send it to other Americans.

In the name of a tortured America
Thank you

P.S. Any politician who is supporting Jews — in the past or present — who gives and provides Jews with political and economic power is guilty of /-GENOCIDE AGAINST ALL AMERICANS
Thank you.

- 1 to 1

#### ATTENTION

John Lindsay won the elections for Mayor of NYC bnly by frauds - Jewish pornographic workers and employes in thousands of apartments in MYC voted 3 to 5 times each for Lindsay and Jews themselves made a lot of frauds with votes.

And this will be repeated (that Jewish slaves will vote several times as "tenants" from thousands of apartments which are Jewish pornographic factories) and the Jewish-hyenas will make their frauds and the Jewish - hyena Goldberg will win and Jewish-perverse-sadistic-atrocities will start all over New York State - if Americans do not stop it.

The article captioned "NRP Organizes New Branches in Long Island and New Jersey" reflects that the NRP had frequently been asked to form brandes of the NRP to serve in other areas, but have deferred from doing so until they could place men who had been trained at NRP headwarters in NYC at their helm. Only these men would have the necessary combat training, organizational ability and knowledge of the NRP's aims and program to adequately devote themselves to building the NRP in outlying areas of the USA. The first branches, complete with their own officers, letterheads and post boxes, are:

- 1) NRP, New Jersey Division, Political Coordinator DAVID KERR, Post Office Box 233, Fanwood, New Jersey 07023.
- 2) NRP, Long Island Division, Political Coordinator BRUCE ITHIER, Post Office Box 191, Hicksville (Long Island), NY 11801.

The article further reflected all members and/or supporters in these areas will be receiving political questionnaires concerning their availability for immediate local or state political projects. Please respond to these questionnaires as quickly as possible to facilitate NRP political activity in your area.
